I am so sorry about this case. You are not needed tomorrow. It plead way back in Feb. Thank you for contacting us before you drove all the way out here. It looks like another prosecutor plead the case in my absence and I never checked to make sure all the witnesses were cancelled. That was my fault. Now that you brought it to my attention I can make sure to cancel everyone else also! Thanks so much. Have a great weekend.

Just curious if the case is still on for tomorrow or not? It would not be a problem for me to be there if it is going forward (it's the only case I have scheduled for tomorrow, plus it would get me out of work a little early :-) Thanks

Hi Sonja,
This is a possession of heroin case. Scheduled for 5/6/11. Are you available for trial that day? Thanks so much!
